Safe Guarding Information

The Benefice takes its responsibilities surrounding the safeguarding of children, young people and adults who may be at risk: very seriously. We work in partnership with the Diocese of Salisbury in accordance with best practice at all times.

The Benefice Safeguarding Policy – Promoting Safer Churches

The following policy was agreed at the joint Parochial Church Council Meeting of 26 May 2021

In accordance with the Church of England Safeguarding Policy, our churches are committed to:

Promoting a safer environment and culture

Safely recruiting all those with any responsibility related to children, young people and vulnerable adults in the church

Responding promptly to every safeguarding concern or allegation.

Caring pastorally for victims/survivors of abuse and other affected persons

Caring pastorally for those who are the subjects of concerns or allegations of abuse and other affected persons.

Responding to those who may be a present risk to others.

The Parishes will:

Create a safe and caring place for allegation

Have a named Safeguarding Officer (P.S.O.) for each church to work with the incumbent and the PCC to implement policies and procedures.

Safely recruit train and support all those with any responsibility for children, young people and adults to have the confidence and skills to recognise and respond to abuse.

Ensure that there is appropriate insurance cover for all activities involving children and adults in the name of the parish.

Display in church premises and on the benefice website, the contact details of the PSOs if there are safeguarding concerns or support needs.

Listen to and take seriously all those who report abuse.

Take steps to protect children and adults when a safeguarding concern of any kind arises, following the House of Bishops Guidance; including notifying the Diocesan Safeguarding Adviser (D.S.A.) and statutory agencies immediately.

Offer support to victims/survivors of abuse regardless of the type of abuse; when or where it occurred.

Care for and monitor any member of the church community who may pose a risk to children and adults whilst maintaining appropriate confidentiality and the safety of all parties.

Ensure that health and safety policy, procedures and risk assessments are in place and that these are reviewed annually.

Review the implementation of the Safeguarding Policy, Procedures and Practices at least annually.

Each person who works within the benefice community will agree to abide by this policy and guidelines
